The Geva Theatre Center Conservatory (GTCC) Summer Academy 2020 is a five-week professional theatre training program for 30 selected young actors, ages 12 to 18, who wish to explore, define and develop the actor in themselves. Open to students of all levels of theatre experience, Summer Academy 2020 will provide quality training for the beginning actor, as well as advanced level study for the young actor with previous experience. A full description of the program is available at www.GevaTheatre.org.

Geva’s professional working artists and faculty are skilled in nurturing young actors with a curriculum designed to embrace, engage, explore, and empower in an artistically safe and strong environment. At Summer Academy, students invest in themselves and their craft, and discover the stories they need to tell and why they need to tell them.

The three main tenets of our program are:

- To EQUIP young actors with a broad range of practical knowledge and skills - a toolbox for the working artist.
- To FOSTER an environment of safe risk-taking, where the artistic process can be explored with confidence.
- To CONNECT students to an artistic family, professional and personal, that extends beyond the Academy.

After twenty-three years, nearly 700 Summer Academy Conservatory graduates call Geva Theatre Center their artistic home. Some of our alumni have returned to our stages as professionals, and many others have gone on to pursue their artistic careers at institutions across the country.
