**SUMMER ACADEMY** 2022  
ACTING CONSERVATORY

The Geva Theatre Center Conservatory (GTCC) Summer Academy 2022 is a five-week professional theatre training program for 30 selected young actors, ages 12 to 18, who wish to explore, define and develop the actor in themselves. Open to students of all levels of theatre experience, Summer Academy 2022 will provide quality training for the beginning actor, as well as advanced level study for the young actor with previous experience.

Geva's Summer Academy faculty is comprised of a diverse group of professional actors, directors, choreographers, and more who are active in the industry at the collegiate level, regionally (many of them have appeared on Geva's stages!), on tours, Off-Broadway, and on Broadway. They are skilled in nurturing young actors with a curriculum designed to embrace, engage, explore, and empower in an artistically safe and strong environment. Academy class sizes are intentionally small to facilitate individual focus and in-depth opportunities for each student, tailored to specific goals. At Summer Academy, students invest in themselves and their craft, and discover the stories they need to tell and why they need to tell them.

The focus this year is Musical Theatre. The program culminates in a showcase, which is open to the public. Students will be granted a certificate of completion from the Summer Academy 2022 program.

**ADMISSION IS BY AUDITION AND INTERVIEW ONLY.**

**The three main tenets of our program are:**

- To **EQUIP** young actors with a broad range of practical knowledge and skills - a toolbox for the working artist.
- To **FOSTER** an environment of safe risk-taking, where the artistic process can be explored with confidence.
- To **CONNECT** students to an artistic family, professional and personal, that extends beyond the Academy.

After twenty-five years, nearly 750 Summer Academy Conservatory graduates call Geva Theatre Center their artistic home. Some of our alumni have returned to our stages as professionals, and many others have gone on to pursue their artistic careers at institutions across the country.
