**About Geva Theatre Center**

Founded in 1972, Geva Theatre is a not-for-profit, professional theatre company dedicated to creating and producing professional theatre productions, programs, and services of a national standard.

Geva offers a wide variety of educational, engagement, and literary programs, nurturing audiences and artists alike. Geva Theatre sits on the ancestral and unceded territory of the O-non-dowa-gah, or "the people of the Great Hill." In English, they are known as the Seneca people, "the keeper of the western door." They have stewarded this land through generations, and Geva pays respect and gives thanks to their elders, past and present.

Geva is under the leadership of Artistic Director Elizabeth Williamson and Executive Director James Haskins.
